The Keys to Ramadan

نشهد ان لا اله الا الله نستغفر الله
نسالك الجنة ونعوذ بك من النار
اللهم إنك عفو كريم تحب العفو فأعف عنا

We declare that our full focus and passion are for the One Lord,
the Creator, the Sustainer, and the Provider!

O Lord, closer to us than ourselves,
We ask that You would cover us
with the Grace of Your forgiveness and protection.

O You Who is dearer to us than anyone else,
we ask for the blessings of an afterlife with You in the heavens,

O You Who is closer to us than ourselves,
we seek Your refuge from the hellfire and severance from You.

O Dear Lord of ours, You are the One Who pardons,
You are the One Who reaches out to us in magnificent generosity,

O dear Lord of ours, You love to forgive and pardon,
so please pardon us,

O You Who is Generous beyond measure,
O Beloved, Whose generosity surpasses our greatest hopes.
